NO COMBI OR WAXLESS SKIS

Skiers will be given a grace period of one week to purchase equipment after they sign up with the team.

BEFORE YOU BUY: Read our equipment page completely (in handbook on website). Skis and Poles must fit your weight and height properly or you will be wasting your money. AMH and Barney's have experts to help you buy the best fitting skis and offer team discounts if you tell them you are on a high school team. Used equipment can be purchased at ski swaps and through bulletin board postings **but it is essential you get the proper fit. DO NOT purchase used equipment unless you are properly fitted by someone experienced.** We have sizing charts on our team website for your reference.
